Trustee Knowledge and Understanding is assured with eShare

Keep track of all the documents needed for managing your board and committees with eKnowledge: a central, searchable and version controlled knowledge base.

Integrate your knowledge base into your governance

Trustees need comprehensive access to Knowledge and Understanding to support their scheme most effectively

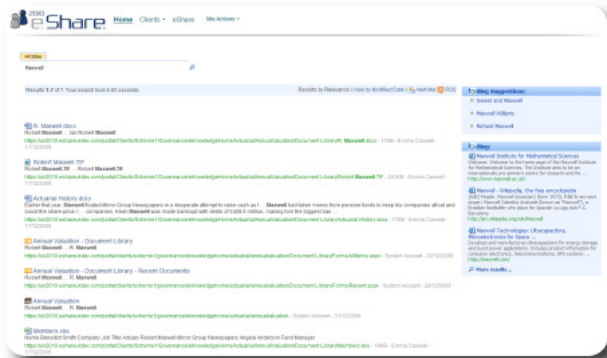

eShare creates a broad, searchable Trustee Knowledge Base where Trustees can access the information they need, when they need it, and keep up-to-date with the latest resources.

“All the information is searchable and forms part of the broader eShare Trustee knowledge base. Personalised automatic alerts allow people to define exactly what they do and do not want to be told about.”

- Mike Furbank, Benefits Manager, MPS & BCSSS
